

HOOVER IS VICTOR; CARRIED ALL BUT FEW OF THE UNITED STATES

Republicans Win in Michigan—Fred Bryant Defeated Fred Franz by About 5,000—Bittner, Fuller and Cunningham Were Winners—Andrews, Pears and Sattler Were Re-elected.

The election of Tuesday, November 6, 1928, will go down in history as one of the greatest national elections ever held in the United States, when Herbert Hoover, the Republican candidate for president, was elected by a candidate for that office, with a majority of the new United States senators and congressmen being chosen from the Republican ranks.

Hoover Victory Assured

With only 296 electoral votes being necessary for a choice for president, the early returns on Wednesday morning gave Hoover 345 electoral votes, Smith, 76, and 110 yet to be accounted for, the outcome in some states being doubtful. The biggest surprise of the election was in the State of New York, the home of Alfred Smith, who was the standard bearer of the Democratic party. Included in the list of states that gave Hoover a majority are the following—Arizona, California, Colorado, Connecticut, Delaware, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Maine, Michigan, Minnesota, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New York, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Dakota, Utah, Vermont, Washington, West Virginia and Wyoming. The states that were carried by Smith were Alabama, Arkansas, Georgia, Louisiana, Mississippi, North Carolina and South Carolina. There were six states yet in the doubtful column.

Michigan Strongly Republican

All of the Republican candidates for state offices in Michigan were elected by substantial majorities. Arthur H. Vandenberg was elected United States senator for both the unexpired term and the full term; John C. Ketcham was re-elected congressman; George S. Barnard will again represent the seventh district in the state senate, and "Dick" Birkholm goes back to the state legislature from Berrien's second district, with J. G. Boyle re-elected in the first district.

REPUBLICANS GIVE COUNTY CANDIDATES BIG MAJORITIES

Fred G. Bryant Re-elected Sheriff by Heavier Majority Than Two Years Ago

One of the surprises in the returns from Berrien county was the big majority that was given Fred G. Bryant, the Republican candidate for re-election for sheriff. He was opposed by Fred C. Franz, who in the third contest between these two gentlemen; in the first race, four years ago, Franz was the winner, while two years ago Bryant took the lead, and this year he increased his majority over that of 1926.

Other officers re-elected in Berrien county were William H. Andrews, Judge of Probate; Don B. Pears, Register of Deeds; George W. Sattler, county drain commissioner; James Hampton, surveyor; George Slaughter and F. H. Martine, coroners.

Wilbur M. Cunningham, the Republican candidate for prosecuting attorney, was given a good majority over Harvey W. Holbrook, his Democratic opponent. Cunningham has been assistant prosecuting attorney and his election was conceded. Mrs. Kittie Handy Fuller, who has been deputy county treasurer for the past seven years, was elected county treasurer, being the only woman candidate for an office in the county; her opponent was George W. Larkworthy. Benjamin H. Bittner, Republican candidate for county clerk, another candidate who sought a promotion from being a deputy, easily defeated Harry DeFries of Coloma, his Democratic opponent.

WATERVLIET GIVES HOOVER BIG LEAD

No Democratic Candidate Got Even Close to Opponents

In the largest vote ever cast in Watervliet candidates on the Democratic ticket were far behind their opponents. In most instances the vote was in the neighborhood of three and one-half to one in favor of the Republicans. Although there were a total of 220 split votes out of 532 cast in the city the voters went to the polls with the main idea of voting on president. Hoover led Smith in the city vote 407 to 111. There were variations from these figures both ways on other offices.

The vote was somewhat under the 600 mark predicted by election officials. The voting was steady throughout the day with very little waiting required on the part of the voters excepting at noon and at the time of the afternoon shift change of paper mill workers. The members of the election board had a huge task on their hands tallying the over two hundred split tickets and it was close to two o'clock in the morning before the count was completed. There were only five ballots that were completely voided because of imperfect markings by the voters.

can lead was not pronounced. Hoover winning over Smith two and one-quarter to one with a slightly less lead for the Republican candidate for most of the other offices on the ballot. A total of 327 votes were cast in the township of which number one hundred were split tickets that had to be read separately and tallied one at a time. The election board completed the count in this precinct about midnight.

Amendment Ballots Lost

The proposed amendments to the state constitution did not fare well in Watervliet. The one relative to the fixing of legislative territory carried in the city 197 to 193, but lost in the township 114 for to 138 against. The one relative to the acquiring of land for municipal purposes lost in the city 182 to 207 and in the township 122 to 146. The one relative to the increase of salaries for members of the legislature lost in the city 121 to 215 and lost in the township 81 to 148.

HOTEL BUILDING AT LAKE RESORT BURNED TUESDAY A. M.

17-Room House at Bluff Island Resort, Pipestone Lake, Destroyed

The big modern 17-room hotel building on the Bluff Island resort at Pipestone lake burned to the ground Tuesday morning. The building was owned by D. K. Tyner, who is in Chicago. Mrs. Tyner and a 17-year-old daughter, Virginia, were sleeping in the house at the time of the fire and when they were awakened, they found the ceiling of their bedroom in flames. Both fled the building and called for help. A large army of farmers formed a bucket crew and saved the barn and the garage. The milk house which was close to the burning building was lost. The building was large enough to care for 30 guests and was only partly covered by insurance. The loss is estimated at \$10,000. Only a few of the kitchen tools were saved and the balance of the contents in the building were burned. It is thought that the fire was caused by a defective chimney.

Former Watervliet Woman Dies At Hamilton, Ohio

Word was received here yesterday of the death of Mrs. Jennie Burns, which occurred at the home of her daughter, Mrs. George Van Wormer, at Hamilton, Ohio. The remains will be brought to Watervliet for burial and funeral services will be held at the M. E. church at 2:30 Friday afternoon, with interment in the Watervliet cemetery.

The deceased was the widow of the late D. L. Wigent, member of a pioneer Watervliet family. The Wigent home was formerly in Watervliet, where Mr. Wigent died thirty-one years ago. Mrs. Wigent later re-married. She was about 72 years old.

Besides Mrs. Van Wormer, there are two other daughters surviving, Mrs. Frank Jessup, Kalamazoo, and Mrs. Guy Troyer, Rugby, North Dakota.

GREYHOUND LINES

5,500 RED CROSS MEMBERS SOUGHT IN BERRIEN

Annual Drive Starts Armistice Day And Continues Until Thanksgiving Day

Berrien county's quota for the twelfth annual roll call of the American Red Cross, is 5,500 members, according to an announcement made by Carmi Smith, of Niles, chairman of the Berrien county chapter. The 1927 membership totalled 3,126 showing an increase of 2,374 for this year.

"Five million members is the goal of the Red Cross this year," declared Mr. Smith, "and the drive will be made from Armistice day to Thanksgiving in all communities in the United States."

Urged to Join

Berrien county citizens are urged to join the Red Cross during the roll call and help to maintain the standard the county has achieved in past membership drives.

A more representative membership is sought to enable the Red Cross to meet the increasing demands on the organization for service in disaster and in the development of its other activities, which are increasing in significance and extent in response to the public interest.

Just how gigantic the task of administering disasters has become is indicated in the annual report of the Red Cross for the fiscal year, completed on June 30, 1928. Relief was given in a total of 66 major and minor disasters in the United States and in 22 foreign disasters. The Mississippi valley flood, which affected a total of more than 640,000 people and required an expenditure by the Red Cross of \$17,498,902.16 is included in the list of disasters in the United States.

250,000 To Work

During the roll call more than 250,000 men and women, wearing the Red Cross worker's badge, will go among the people inviting them to join for 1928. All will be volunteer workers. Dues collected will finance local Red Cross work, such as public health nursing and service to World War veterans, and supply funds also for the national and international Red Cross program.

Mrs. Glen Allen Chairman of Local Drive

Mrs. Glen Allen is chairman of the membership drive for the Red Cross in this city and she has already started the work and canvassers are covering the various districts.

DEER WILL BE PLENTIFUL ACCORDING TO REPORTS

Large Delegation of Local Sportsmen All Set For Annual Trek to Upper Peninsula

Reports from department of conservation officers in the hunting areas indicate that deer will be plentiful this fall. Contrary to reports, the 1927-28 winter must have agreed with the deer-fodder inhabitants of Michigan's northern woods for in almost every section signs point to a large population.

The department's plans for the annual rush have been complete for the past two weeks. A new arrangement of the law enforcement officers this year is expected to result in stricter observance of the regulations. Employees of the forest fire prevention division are to be placed in the employ of the game protection division. These men are required by the nature of their work to know every inch of their respective sections. There is not a road or stream that is not known to them. When they join hands with the conservation officer the law-breaker will be confronted with an almost insurmountable wall of law enforcement.

Last year special deputies were dispatched from Lansing but they were seriously handicapped in their work by not knowing the country. The fire fighters will be virtually working in their own back yard and are expected to prove a big aid in protecting Michigan's deer from the hunter who chooses to gamble with the law.

Many Attended Football Game

Coloma was very well represented at the Michigan-Illinois football game at Ann Arbor last Saturday afternoon, when all enjoyed the thrill of being in the crowd of 86,000 people who saw Michigan win the first victory of the season. Among the Coloma people in attendance were Mr. and Mrs. Wm. Hocker, Mr. and Mrs. Chester Hocker, Mr. and Mrs. Charles C. Smith, Mr. and Mrs. Harold Lyons, Superintendent L. L. Close, Coach S. L. McDonalds of the Coloma football team, Postmaster Martin Kilmark, Fred L. Scott, Malcolm D. Grant, Nell Kniesbe and John VanDerveer.

Reward Is Offered

A reward of \$100 will be given for the arrest and conviction of the party or parties who wrecked the pump and did other damage at the Washington school in North Coloma on Wednesday evening, October 31, 1928. By Order of the School Board of District No. 7, Coloma Township.—Adv. 1612x

Berrien County Weddings

Dustin-Kinyon

Miss Alene A. Kinyon, daughter of Mrs. James N. Kinyon of Watervliet, and Mr. LeRoy H. Dustin of Benton Harbor, were quietly married at South Bend, Indiana, Saturday, November 3, 1928, Rev. Wm. N. Dunn, pastor of the M. E. church officiating. The couple were attended by Mr. and Mrs. Dudley Dustin of Oshtemo, the former a brother of the groom and who is superintendent of the Watervliet Country Club at Paw Paw. Immediately after dinner the newly wedded couple left for a visit with Mr. and Mrs. John Byrd and family at Milwaukee, Wis. Mr. Byrd was a former Pro for the Berrien Hills Country Club.

The groom has been the superintendent of the Berrien Hills Country Club for the past five years, and the bride has been with the Michigan Bell Telephone Company for several years. She has been at the Watervliet office during the entire time with the exception of one year, which she served at Benton Harbor.

After December 1 Mr. and Mrs. Dustin will make their home at Fair Plain, Ohio. On Thursday afternoon of last week twelve of the girls who had been associated with the bride in her work at the local telephone exchange, gave a shower party at the home of the bride's mother on the Lewis Addition. A delicious luncheon was served and the guests left a number of pretty and useful gifts with the bride. The expressed regrets at seeing her leave and at the same time wished her much joy and happiness.

Sheffield-Coller

William E. Sheffield, Benton Harbor's "Common Druggist," president of the American National Bank of Benton Harbor, and a director of the State Bank of Coloma and interested in a number of other banks in this vicinity, was married at Elgin, Ill., on November 1, 1928, to Miss Alta Collier of Bowling Green, Ohio. The ceremony was performed by Rev. Paul Yound, former pastor of the Congregational church at Benton Harbor, who accompanied Mr. Sheffield on a trip to the Holy Land a few years ago. The couple will reside in the groom's residence on Pipestone street. They expect to make a trip to California after the holidays.

Landsman-Elstein

Announcement has been made of the marriage of Nelson Landsman, one of the owners of the Landsman chain of clothing stores, and Miss Alice Elstein, which was solemnized at Syracuse, N. Y., on October 13, 1928. The marriage took place a few hours before the death of the bride's father, Mr. Landsman is quite well known in various parts of Berrien county, but resides at Albion, where he is the manager of one of the Landsman stores.

Bishop-Lindt

Miss Marguerite Lindt, daughter of Mr. and Mrs. John Lindt, and William Bishop, son of Mr. and Mrs. Albert Bishop, both of St. Joseph, were united in marriage at the Congregational church in St. Joseph, Saturday, November 3, 1928, Rev. George Horst officiating. In the presence of a large number of relatives and friends, following the ceremony a wedding dinner was served the members of the immediate families at the Hotel Whitcomb. The couple will reside in St. Joseph.

Katz-Jaffke

Miss Ella Jaffke, daughter of Mr. and Mrs. Bert Jaffke of the Napier road, near Benton Harbor, became the bride of Earl Katz, of Detroit, Saturday evening, November 3, 1928, at St. Matthews Lutheran church in Benton Harbor, Rev. H. C. Haase officiating. Following the ceremony a wedding dinner was served at the home of the bride's parents. The couple will reside in Detroit.

Burr-Stevens

Mrs. Mary E. Stevens of St. Joseph and Frank A. Burr, representative for the Wolverine Insurance company, at Benton Harbor, were united in marriage, November 2, 1928, at the home of the bridegroom's son-in-law and daughter, Mr. and Mrs. Bert Tillstrom, in Chicago. The ceremony was performed by Rev. Garfield Dowe, pastor of the Greenville Methodist church.

Starkweather-Smith

A wedding which occurred on October 27, 1928, but which was kept quiet for a few days, was that of Miss Ellen Smith and J. W. Starkweather, both of Benton Harbor. The ceremony was performed by Rev. Howard Blanning, pastor of the Congregational church.

THURSDAY EVE, NOV. 15, WILL BE COMMUNITY CHURCH NIGHT

Second Such Event of the Season Will Provide Abundant Enjoyment

The second of a series of Community Church Nights in Coloma will be held at the local community church, Thursday evening, November 15th. Supper will be served by a committee who will furnish the meat, potatoes, coffee and cream, and the guests are to bring the other good things to eat. This second Community Night is to be known as "Fun Night" an evening of fun that everyone will enjoy. Plan now to attend this event on Thursday evening, November 15th. Supper will be served at 6:30 sharp, followed by the program.

Hayes Disbrow, of Hartford, who was to appear before Judge White on a charge of driving while intoxicated, failed to face the court and his \$100 bond was forfeited.

ANNUAL CHRISTMAS TREE HARVEST IS UNDER WAY

State Conservation Department is Making Fight to Protect Michigan Forests From Ravages of Over-Zealous Pine Tree Seekers

Lansing, Nov. 7.—Michigan's annual Christmas tree harvest is getting under way. Reports from various sections are to the effect that trees are either actually being cut or preparations are under way for an early start. As the merchants of these evergreen products are to the effect that trees are either actually being cut or preparations are under way for an early start. As the merchants of these evergreen products are to the effect that trees are either actually being cut or preparations are under way for an early start.

In past years a goodly amount of the state-owned land has been stripped of trees by persons who are either grossly careless or intentionally given over to thievery. There are large numbers of honest operators in the field who either cut the trees from their own land or from property to which they hold purchased privileges. But then, too, there is the reaper who goes into the field with nothing but his axe and wagon, ready to slash down the first crop of trees that comes to hand. And again there is the merchant who owns a tract of land but who believes that he can cut trees for miles around his property. It is against the last named classifications of merchant that the conservation department will wage its war.

It is illegal to take products off state owned lands and off other property that is known as state tax land. In the first instance the property belongs to the State of Michigan and in the second, the auditor general's department has the title. Then there is the land on which taxes are delinquent. This property is watched over by the county before the time limit expires and prior to its being turned over to the state. In all cases, the products of the land are protected by law and to take them lays the guilty party open to prosecution.

Up to the time the land is bid in to the state, the county treasurer is responsible for action on trespass within his county. Before the land is deeded to the conservation department, the auditor general's department holds the weapons for defense against illegal invasion. Once within the realm of conservation authority the department will see to it that no one trespasses or, if they do, prosecution awaits them.

The department's field men are much better equipped to take care of their jobs this year. During the summer months maps of all state-owned lands were drawn up and distributed to officers throughout the state. They will know exactly where to concentrate their efforts with the result that the trespassing will be kept down to the minimum.

Citizens of the state who have the interest of Michigan's conservation program at heart have been invited to report any cases of trespass on state land that may come to their attention. Cooperation of this sort will result in a big saving to both individuals and state. Reports may be made to either the district conservation officer or directly to the conservation offices at Lansing.

RURAL LETTER CARRIERS HELD MEET AT WATERVLIET

The Rural Letter Carriers of the county gathered at the hospitable home of Mr. and Mrs. Lloyd Bishop of Watervliet for their October meeting, Saturday evening, October 27.

The house was gay with decorations in keeping with Halloween time, and a fine supper was served cafeteria style, consisting of plenty of chicken and pumpkin pies galore, with many other good things which go to make up a real feast.

The men held their meeting in the spacious living room, while the Ladies Auxiliary retired to the sun parlor, where they observed a program of education. A very interesting paper by Mrs. Claude Harger of Niles, was read by Mrs. Warriner of Coloma, and much enjoyed by all.

Benton Harbor was decided upon as the next meeting place, which will be the last Saturday evening in November.

OLDEST RESIDENTS OF BERRIEN DID THEIR DUTY ELECTION DAY

Millburg Woman, Aged 100 Years, and Niles Man, 95, Used Absent Voters Ballots

Berrien county's oldest known resident, "Aunt Polly" Merrill, 100 last January, and her daughter, Mrs. Esther Thompson, to be 81 next January, cast their absent voter's ballot through a notary at their home in Millburg, Saturday. Both are invalids. Mrs. Merrill's mind is keen. Both voted the straight Republican ticket.

Otis Ballard, 95, oldest voter in Niles, has marked his absent voter ballot. He cast his first vote for John Fremont in 1856 and has voted the Democratic ticket every election day since.

CHVNGE IN GREYHOUND BUS SCHEDULES

Effective November 7th the Greyhound morning bus to Watervliet will leave this city at 7:20 a. m., arriving at Watervliet at 7:25 a. m. Morning bus to Benton Harbor will leave here at 7:30 a. m., arriving at Benton Harbor at 7:50 a. m.—Adv. 1613

MUCH INTEREST IS CENTERED IN BIG SCHOOL CARNIVAL AND SALE

Annual Event Sponsored by Parent-Teachers Association Will be Held Friday Evening—Contests and Various Amusements Have Place on Program.

Friday, November 9th, will be Carnival Nite in Coloma. This is the date of the big Carnival and sale put on by the Coloma Parent-Teacher Association. Every person in the school district should be interested in this event, for it is an annual affair and all of the proceeds will go to the Parent-Teachers Association for school purposes.

Program Will Be Varied.

What is this carnival, do you ask? It is up to you to come and see for yourself, but the committee has divulged this much information—that there will be a fine supper served from 5:30 to 7:00 p. m., and that lunches will be served as long as the food holds out or there is anybody left to buy. This is the opening feature of a very full evening of fun and frolic.

Among the attractions, which are very numerous, will be a contest to determine the prettiest girl, and a similar popular man; there will be races of various kinds, including a horse race; there will be a boxing match and some events that the teachers do not care to divulge at this time, but which will be full of interest for old and young.

To further stimulate interest on the part of the housewives in this big carnival and sale, a prize 3-pound can of Crisco will be awarded for the most attractive cake, a box of Swansdown flour for the most attractive bread-stuff; and a box of Baker's cocoa for the best lot of cookies. These prizes are worth competing for and as Coloma has many fine cooks the displays will doubtless be very large and the competition quite keen.

If you are not interested in any of the above features, perhaps it will interest you to know that there will be many midway attractions, with the fortune teller, the candy and popcorn booths, frends and such attractions as might expect to find at a carnival. And you can see all of this for the admission of only ten cents. Besides what you will see, there will be a program that will be really worth while, but which has not yet been announced.

VARIED LIST OF ARTICLES WILL BE OFFERED FOR SALE

More Contributions Have Been Added To List Since Last Week

Since the list of contributors to the sale and carnival were published in The Courier last week, the following have made contributions bringing the list of articles for sale up to a great variety. The Coloma Theatre, the Coloma Dairy, Selter's Radio Shop, C. Kloess, grocery and market, Schillaci Bros., Mr. and Mrs. Roy Beach and Mrs. Fred Borchert have all added something to be sold for the benefit of the Parent-Teachers' Association.

Here is a partial list of the articles that will be offered for sale—Automobile supplies, apples, baked goods, bakers' cocoanut, chinaware, cottage cheese, chickens, Calumet baking powder, chewing gum, carrots, cabbage, candy, Duco varnish, fancy work, flowers, various articles of hardware, novelties, potatoes, popcorn, shredded wheat, Swansdown cake flour, stockings, shoe strings, stationery, wearing apparel, talcum powder, wash cloths, and many others.

Get Your Supper at the Carnival

The big carnival opens at 5:30 p. m. Business men need not go home for their supper, for they can get it right at the school house, from 5:30 to 7:30 p. m., with a menu of Hamburgers, redhots, cheese and egg sandwiches, baked beans, potato salad, pickles, coffee, pie and doughnuts. Coffee and sandwiches will be served at all times during the evening.

Contests Will Be Lively

There will be two very lively contests in connection with the carnival.

There will be keen rivalry to determine who is the prettiest girl and just as keen interest to determine who is the most popular man. The prettiest girl will be awarded a marcel at Scott's beauty shop and the most popular man will be given a shave and a haircut at Long's barber shop.

IN THE DIVORCE COURTS

Six weeks of married life proved enough for Howard R. Otwell of Buchanan who filed bill for divorce in the circuit court against Mrs. Doris Otwell. Before their marriage, Otwell complains his wife told him she was to continue working in South Bend, Ind., to assist in the family finances. Later, he asserts, he found her work was merely an excuse to take his car and drive around with other men. Otwell further claims his wife won't take care of the house. They were married on September 15, and separated on October 28.

Bertha Baum Hahn of Pipestone township was granted a divorce decree from Frederick Hahn on grounds of cruelty.

Martha Johnson of New Buffalo township was granted a decree from her husband, Frank Johnson, on charges of cruelty.

Mrs. Emma Williams of Benton Harbor was granted a divorce from her husband, Ted Williams, on grounds of cruelty and non-support.

In the suit for divorce filed by Clarence E. Pullens of Benton Harbor against his wife, Genevieve Pullens, the court granted the decree to Mrs. Pullens on the cross bill.

Mrs. Agnes Mallinger of Benton Harbor filed a bill for divorce from her husband, Martin Mallinger, charging him with extreme cruelty and drunkenness. They were married November 21, 1906, and have three children. Judge Charles E. White signed an injunction restraining him from molesting her during the pendency of this suit.

Mrs. Alma G. Bowers of Benton Harbor, through her attorney, Bert C. Moody, filed a bill for divorce from her husband, Leslie W. Bowers, charging non-support. They were married September 12, 1925, and have one child, Victor, age 17 months.

Viona Lincoln of Watervliet has filed suit for divorce from her husband, William Lincoln, charging extreme cruelty. She asks for temporary alimony and attorney fees. Mr. and Mrs. Lincoln recently moved to Watervliet from Covert, where he was formerly in the real estate business. The couple were married July 3, 1927, and have no children.

In the settlement made between the parties of the divorce case between Mrs. Wanda Stach of St. Joseph against her husband, Gustav Stach, which was granted to the wife by Judge Charles E. White in the Berrien county circuit court for a number of years doing extension work about the state in the interest of the dairymen. Mr. Stach also has a very fine herd of dairy cattle on his farm in Kalamazoo county and is well qualified to talk to the farmers about feeding. These meetings are a part of the services rendered the farmers by the Farm Bureau and are open to all farmers of the county. Meetings will be held in the following places: Coloma, Eau Claire, Buchanan, Three Oaks, Bridgman, Berrien Springs, November 20th, 21th, 22th, are the dates. A definite schedule of the meetings will be announced later.

Members Declare That Organization Was Forced to Take Part in National Campaign

The local W. C. T. U. met at the home of Mrs. Clara M. Hall, Thursday afternoon of last week and elected the following officers for the coming year: President—Mrs. George P. F. Hanks; Corresponding Secretary—Mrs. W. E. Goltz; Recording Secretary—Mrs. C. W. Goltz.

Directors—Mrs. Clara Hall, Directors of Departments—Press and Publicity, Mrs. C. E. Goltz; Literature and Narcotics, Mrs. A. K. Warner; Flower Mission, Miss Anna Lukens; Sunday Schools, Mrs. P. P. Bamshad.

The annual address of the state president, Mrs. Stella L. Bolers of Big Rapids, which was delivered at the State W. C. T. U. convention held at Lansing in September, and printed in leaflet form, was read. The National convention of the W. C. T. U. will be held at Boston, November 14th to 22nd. The opening address or keynote speech of the president, Mrs. Ella A. Boodle, is expected to be a pre-emptory order to "Go to sleep" on politics and to resume the traditional work of temperance education with greater emphasis than ever. The W. C. T. U. never a political organization, was forced into the political campaign against its wishes by the action of Governor Arthur S. Gribble in refusing to run on the platform of the Democratic party as adopted at the national convention at Houston, Texas. The W. C. T. U. believes the political campaign has shown a need for a new drive to clear up the many misstatements promulgated by the well-to-do in recent months. Therefore the W. C. T. U. expects to may a nationwide campaign of education through the 10,000 local units and other organizations. It is not a political or partisan matter, simply a scientific and academic subject, with new emphasis to this work.

STOP THAT COUGH QUICK!

Famous Prescription Has a Double Action

The phenomenal success of a famous doctor's prescription called Thosine is due to its double action. It immediately soothes the irritation and soothes the internal cause not reached by patent medicines and cough syrups. The very first swallow usually relieves even the most obstinate cough.

Thosine contains no chloroform, dope or other dangerous drugs. Safe and pleasant for the whole family. Also excellent for the relief of colds, influenza, whooping cough, croup, and all other coughs.

HE DREAMED OF 'WORLD'S MOST BEAUTIFUL CAPITAL'

Once upon a time a brilliant young French engineer was commissioned by the chief executive of a new republic to plan a new capital for that republic. So he dreamed and he planned—of building in the wilderness the world's most beautiful capital. But his tragedy was that he was to die of a broken heart because he failed in his great ambition and because this like so many republics, is ungrateful to the man who gives it so much. The story of the man who is known to history as the "father of Washington," is told in the feature article by Eric Scott Watson which will be the first of a series of articles on the history of the United States.

Self Culture Club

"The Political Situation of the Hour" was the subject for the Self Culture Club which met with Mrs. Mattie Newton at her home at Paw Paw Lake, Friday afternoon, November 24. "Not what men do, but what they think, is what history makes last to record." This was the quotation for the day and it afforded a good background for the very interesting debate. "Shall the President of the United States be a man or a woman?" was the question. The affirmative side of this question was taken by Mrs. George Stratton and the negative by Mrs. Amanda Kremer. The debate decided that the affirmative scored first in poles and delivery, but the negative scored first in definite points in the debate. At any rate it was an interesting debate. While awaiting the result of the election, the ladies in how to vote, Mrs. Amanda Kremer showed some of the latest in fancy work now being shown in the large city stores that she visited a short time ago.

TELEPHONE MAN FOR FORTY YEARS

When Daniel J. Bradley, wire chief of the Ashland, Cleonida and Lexington Central offices in New York City, went to work for the old Metropolitan Telephone & Telegraph Company in 1888, he was just 12 years of age, so that after forty years of continuous employment he is still a comparatively young man with prospects of many active years ahead of him.

Mr. Bradley was one of the original "silly boys" at the old Murray Street exchange. In those days the Telephone Company only employed men as operators and young Bradley performed some of the first duties of passing slips or so called orders for telephone calls between the "A" board and the "B" board. He is a charter member of the Empire Chapter of the Telephone Pioneers of America.

Carbon Monoxide Conquered

Army and navy chemists have collaborated in the designing of a new gas mask which renders the wearer impervious to the effects of the deadly carbon monoxide gas, according to reports from the War Department.

This gas is particularly dangerous, as it is colorless, tasteless and odorless. In searching for a substance that would dissolve the gas, a substance was also found that can be used as a detector of the gas. It is known as a detector of the gas. It is known as a detector of the gas. It is known as a detector of the gas.

Graf Zeppelin Arrives in Germany, Completing Its Remarkable Tour

By EDWARD W. PICKARD
PLOTTED with admirable skill by Dr. Hugo Eckener, the Graf Zeppelin, huge German dirigible, arrived at Friedrichshafen, Germany, 68 hours and 56 minutes after its start from Lakehurst, N. J., and two hours later was at rest on the land. This was completed the first round trip commercial transatlantic flight of a lighter-than-air machine. The time made on the homeward journey of 4,903 miles established a record for mail and freight were carried on both legs of the trip.

Taking the northern route on its eastward flight, the Graf Zeppelin passed over the southern part of Newfoundland and then dodged and flew high to avoid the winds of wind and rain. The region of squalls being left behind, she turned to the south and flew low and fast across the Bay of Biscay and over France direct to her home harbor. As she was drawn to the ground the passengers crowded at the windows of the cabin. The hands at the airship were the German national anthem and "The Star Spangled Banner."

The Graf Zeppelin carried 101,883 pieces of mail back to Germany, for which the German post office was credited with \$75,713 by the American postal service. The mail, weighing about one ton, consisted of 48,745 letters, and 21,928 postcards, most of which were dispatched from the New York post office.

DISTRICT ATTORNEY ASA KEYES, one of the most famous prosecutors of the Pacific coast, is in trouble. The Los Angeles county grand jury has returned an indictment charging him with "wilful and corrupt misconduct in office" and has fined him \$500. He has appealed from the indictment.

The indictment charged Keyes with conspiring with E. H. Rosenberg, Jack Rosenberg, and Jacob Berney, alias Jack Bennett, to effect their acquisition of the stock of the American Petroleum Corporation stock overseas. In the Julian trial the trio, who were officials of the concern, and S. C. Lewis, president of the corporation, were charged with conspiring to violate the state corporate securities act by overvaluing the stock. Jack Bennett, shortly before the indictment

They are informed that land that will grow annual crops profitably or maintain pasture should be cultivated. The agricultural areas consist of ridges, steep slopes, areas of poor soil and "back lots" too far away to work successfully.

The Easiest Way to Keep in Style

No woman would wear dress, or blouse, or stockings of a color that's decidedly out of style or faded, if all she knows how easy it is to make things fresh, crisp and stylish by the quick magic of home tinting or dyeing. Anybody can tint or dye successfully with the new color fast dyes. Tinting with them is as easy as bluing, and dyes take just a little longer. New styles colors appear like magic, right over the old, faded colors. Diamond Dyes never spot, streak or run. They are real dyes like those used when the dress was made. Instant on and save disappointment.

Only new color fast dyeing illustrated book. "Color Craft," five hundred of money-saving hints for renewing clothes and draperies. It's Free. Write for it to Mrs. Maynard, Dept. D-45, Diamond Dyes, Burlington, Vermont.

COAST TO NEW YORK AIR RACERS KILLED

Collyer and Tucker Smash Against Canyon Wall.

Present, Ariz.—The monoplane Yankee Doodle, holder of two transcontinental records, caught in the coils of the rainbow fell from the sky near the base of the Catalina mountains, struck against the side of a wall in Crook canyon, 23 miles south of Lapeer, and crashed.

Collyer, pilot, and Harry Tucker, passenger-owner, were killed. The plane was en route from Los Angeles to New York on a nonstop flight. Some days ago Collyer and Tucker set a new record for a non-stop flight from New York to Los Angeles.

Scattered bits of airplane wreckage, strewn along the canyon, told searching parties the story of the wreck and resulted in positive identification of the aircraft and the bodies of Collyer and Tucker.

It was believed by members of the sheriff's searching party which found the strewn wreckage that the craft had struck the canyon wall with tremendous force and that the heavy load of gasoline exploded with the impact.

The open carcasses of the pilot and the passenger indicated that the pilot, realizing his plight too late, had made an effort to jump. Their landing flares had also been released.

J. B. Tomlinson, manager of the Sierra Cloud mines, said he heard the plane come down through the canyon sputtering as if the motor were failing. After it had scraped the canyon wall he said it crashed. He said a loud explosion immediately followed the crash.

Only the fact that the rocks were pelted away at the spot where the plane hit enabled the searchers to fix the exact location of the crash, for the bits of the craft were scattered for more than a quarter of a mile along the mountain side.

Letters and photographs along with a few personal effects of the flyers served to identify them as the two who hoped to fly from Los Angeles with the intention of keeping a business engagement in New York City.

Park rangers were used to bring the bodies down to the highway after which they were brought here. There was no part of the body which had been found. One strip of the fuselage bearing the name served to help identify the plane.

When discovered she was nude. Some of her garments had been burned in the station furnace. Her shoes, vest watch, and purse were found near the furnace. Her identification tag was credited with the name of Collyer and Tucker. It was given that its bulk would have been noticeable if it had been buried there.

"I have told it all," she always replied. "I did it myself. Miss Knisk had been firm in a belief that she did not burn herself unaided, as she stated before her death. She had been in the hands of the authorities, were unable to find any evidence supporting this theory."

Experts express the opinion that Miss Knisk was a paranoid dementia precox case, the mental disease brought to attention by disloyalty toward romance and overwhelming religious beliefs.

Said Act Was to Prove Love for Psychic Sweetheart.

Chicago.—Self-immolation was attempted by Miss Effie Knisk, thirty years old, a pretty Sunday school teacher of Deerfield, Ill., because of her faith in God and as a protest, both through and against her man, she told physicians.

Knisk was found in the basement of the village hall of Lake Park, beneath the police station, soon after her face and forehead were black with charred flesh, the skull being laid bare at the forehead. Her toes were black and charred. Yet she was standing.

The object of her love, she said, was Charles W. Hitchcock, forty-five years old, the night policeman of Lake Park.

When discovered she was nude. Some of her garments had been burned in the station furnace. Her shoes, vest watch, and purse were found near the furnace.

Berrien County Deaths

Clark Emerson

Clark Samuel Emerson was born September 6, 1848, in Wolcottville, Ind., son of Alby and Nancy (Barnes) Emerson, being the fourth of ten children, four of whom survive him—Mrs. Juliette Shuman, the oldest of the family, living in her home in Benton Harbor; Mrs. John Mollhagen, the youngest of the family, living in St. Joseph; Mrs. George McCray of Riverdale; and Myron Emerson of Hartford. The family moved to Hagar township, three miles west of Coloma, in 1863, where Clark was married to Margaret McCray. They have two sons—Aden McCray, Emerson, of Toledo, Ohio; and Ralph Waldo Emerson, living in Detroit, Mich.; and one daughter, Edna Emerson (Mrs. Jos. Leahy) of Chicago. Mr. Emerson, with his wife and two boys, moved to Minnesota, where two brothers and other relatives had preceded them, in 1881, living there on a small farm until 1898, when they returned to Michigan and purchased the family farm that the father had owned since 1863, and lived there until 1912, when they retired from farming and moved to their home in North Coloma where the mother died June 12, 1924, and the father on October 31, 1928. Funeral services were held from the late home, Friday afternoon, conducted by Rev. W. E. Goltz, pastor of the Community church.

Gilbert L. Williams

Gilbert L. Williams, aged 93 years, died October 31, 1928, at his home in Pipestone township, where he had resided for the past sixty years. He is survived by one daughter, Mrs. Philip Smith, and two sons—Alva and Lester Williams. All reside in Pipestone township. Funeral services were held Saturday afternoon from the Naomi church, with interment in the Penn Yan cemetery.

Ralph Truscott Moody

Ralph Truscott Moody, aged 48 years, sales manager for the lubricating oil department of the Theisen-Clemens Co., died at Mercy hospital, Monday afternoon, November 6th. He had been a sufferer from Bright's disease for several years and had taken treatment at Ann Arbor. Last Thursday his condition became worse and he was removed from his home at Higan Park to the hospital. The news of his death was a great shock to his many friends as he was thought to be improving. Mr. Moody had been a resident of the twin cities for over thirty years. Besides his widow, he is survived by an adopted son, aged 14 years, one brother, A. W. Moody of Detroit; and two sisters—Edith McConnell of St. Joseph, and Mrs. Ada W. Graves of California.

Joseph Hubbard

Joseph Hubbard of Gallen, a former resident of Grand Haven, died at the Taber sanitarium in Benton Harbor, November 5, 1928, from chronic heart trouble. He had been at the sanitarium but about twenty-four hours. He is survived by his wife; his parents, Mr. and Mrs. Joseph Hubbard, Sr., of Wausaukee, Wis.; and five children—William and Thomas Hubbard, Mrs. Edward Krostapowick, Mrs. Ethel Reogal and Miss Helen Hubbard, all of Benton Harbor; and five brothers and sisters.

Mrs. Albert Macham

Mrs. Albert Macham died November 1, 1928, at her home near Baroda, after an illness of two years. She is survived by three sons—Harry, of Stevensville, and Rhinehold and Albert, Jr., at home—and by three daughters—Mrs. Albert Witcock of Royalton, and Esther and Margaret at home.

Eva Willis

Miss Eva Willis, 13-year-old daughter of Mr. and Mrs. Herbert Willis of St. Joseph, died suddenly November 1,

1928. The young lady had been in school the day previous, but was stricken ill at night and died early in the morning. Besides her parents, she is survived by one brother, Gordon, of Niles.

Mortgage Sale.

Default having been made in the conditions of a certain mortgage made by G. Harry Kibler and Miriam J. Kibler, his wife to State Bank of Coloma, Coloma, Michigan, dated the 15th day of September, A. D. 1922 and recorded September 15th, A. D. 1923 in the office of register of deeds of Berrien County, State of Michigan, in Liber 127 of Mortgages, on page 200.

Interest on said mortgage being in default for more than 30 days the whole amount of said mortgage is declared due and payable. There is claimed due at this date thirteen hundred and ninety-nine (1399) dollars, and no proceedings at law have been instituted to recover same.

Now therefore by virtue of the power of sale in said mortgage and the statute in such case made and provided, on Friday the 4th day of January, A. D. 1929 at 10 o'clock a. m. at the front door of the courthouse, in City of St. Joseph, Berrien County, Michigan, the premises described in said mortgage will be sold at public auction, to satisfy amount then due, with costs and attorney fee, to-wit, the following described premises in the Township of Coloma, County of Berrien, State of Michigan. The north half of the southeast quarter of the southeast quarter of section seventeen, township three south, range seventeen west twenty acres or less, more or less, and a strip of land two rods wide north and south, and nine and one-half rods long, east and west, of the northeast corner of the southeast quarter of said section seventeen, township three south, range seventeen west. Dated, St. Joseph, Mich., October 11, A. D. 1928. WILLARD J. BAYBOW, Mortgagee. ST. JOSEPH BANK OF COLOMA, Agent. St. Joseph, Michigan. (Last publication Dec. 28, 1928)

MORTGAGE SALE

Default having been made in the conditions of a certain mortgage made by Charles H. Peyton and Jennie Peyton, his wife, mortgagors, to Eliza McGraw, mortgagee, dated March 26, 1925, and recorded in the office of the Register of Deeds for Berrien County, Michigan in Liber 156 of Mortgages on Page 168 on April 23, 1925, which said mortgage was thereafter duly assigned by said Eliza McGraw to Mary B. Carley, by proper assignment of mortgage dated October 10, 1927, and recorded in the office of said Register in Liber 7 of Assignment of Mortgages on Page 397 on October 11, 1927, and on which said mortgage there is claimed to be due and payable at the date of this notice the sum of One Hundred Seventy-two (\$172) Dollars, the same being the unpaid principal and interest thereon, and an attorney's fee of Twenty-five (\$25) Dollars provided for by statute, and no suit or proceedings at law having been instituted to recover the money secured by said mortgage or any part thereof.

Now therefore, by virtue of the power of sale contained in said mortgage and the statute in such case made and provided, notice is hereby given that on Monday the 10th day of December, A. D. 1928, at ten o'clock in the forenoon of said day, the undersigned will sell at public auction to the highest bidder at the front door of the Court House in the City of St. Joseph, Berrien County, Michigan, that being the place where the Circuit Court for the County of Berrien is held, the premises described in said mortgage, or so much thereof as may be necessary to satisfy the amount due on said mortgage, with interest from this date at the rate of six per cent. per annum and all legal costs, including the attorney's fee provided for by statute. The premises to be sold are situated in the Township of Benton, Berrien County, Michigan, and are described as follows, to-wit: Lots Three (3) and Four (4), in Christiansen's Addition to the City of Benton Harbor, Berrien County, Michigan. Dated: September 13, 1928. MARY B. CARLEY, Assignee of Mortgage. Gore & Harvey, Attorneys for Assignee of Mortgage. Business Address: Benton Harbor, Michigan. (Sept. 14-Dec. 7.)

Irving Kietzer, John Krugman and Florine Peters. Scholarship records for the month are slowly but steadily improving. A very successful Hal-lo-wen program and social was enjoyed by a large crowd. \$15.25 was realized from the sale of candy boxes. Mrs. Corliss Blackman is substituting for the regular teacher, Miss Alma Tinkham, who is ill. The natural gaits of the horse are the walk, canter and trot. The home of Mr. and Mrs. Edgar Howard of Baroda was completely destroyed by fire early Thursday morning of last week. Mr. and Mrs. Howard and son Everett had a narrow escape from being cremated. The fire was discovered by Mrs. Howard, who had been ill. It is thought that the blaze might have been started from a short circuit in the electrical wiring of the house. The Howard home was an 8-room brick structure and was said to be one of the finest in Baroda. The loss is covered by insurance.

Over 500 Miles of Concrete Highways in a Single County! Wayne county, Michigan, (Detroit) has over 500 miles of concrete highways, with pavements from eighteen to eighty feet wide. Nineteen years ago, this county built its first stretch of concrete road. Year after year, the Board of County Road Commissioners has continued building concrete highways, to complete a road system planned in 1906. Many of the older pavements have been widened. Some have been torn up to make way for wider pavements at a different grade—but no concrete pavement has worn out! No wonder Wayne County keeps on building concrete roads! GLOBE RAY-BOY THROUGH the application of furnace construction to above-the-floor heating systems, the GLOBE RAY-BOY really IS a furnace and does the work of one! It heats the whole house, evenly, completely, perfectly, by circulation and radiation. It brings to the home that does not have a basement all the advantages of furnace heat and it is a welcome boon to the home builder who does not wish to go to the expense of excavating. The RAY-BOY is good-looking, too—it's an ornament to any home, with its distinctive design and unusual features. The door to the extra large ashpit, for example, is at the SIDE—out of sight and out of the way, giving a particularly clean-cut appearance to the front. There are many other superior points. Come in and see them! COLOMA HARDWARE CO. D. C. PECK, Manager COLOMA, Michigan
